[Halaharvi, Kurnool](#)

PROFILE

Computer Science final-year student with strong hands-on experience in Python, NLP and SQL, having built end-to-end data-driven applications including sentiment analysis and AI-based systems. Strong in problem-solving, data handling and automation, and motivated to contribute to high-impact software and AI solutions.

EDUCATION

Bachelor of Technology - Computer Science and Engineering 2022 – 2026
Ballari Institute of Technology and Management, Ballari
CGPA: 7.92

Intermediate (MPC) 2020 – 2022
Narayana Junior College, Kurnool
Percentage: 93%

Secondary School (SSC) 2019 – 2020
Montessori E M High School, Kurnool
Percentage: 97%

TECHNICAL SKILLS

Programming & Scripting

- Python
- JavaScript

Web

- HTML
- CSS

Data & Databases

- SQL

AI / Data

- Data Analysis

Tools

- GitHub
- VS Code

PROJECTS

YouTube Comment Analyzer

Developed a sentiment analysis system to classify YouTube comments into positive and negative categories. Generated graphical visualizations to analyze audience feedback and sentiment trends.

- Technologies: Python, NLP, YouTube Data API, Matplotlib

BMI Automation using UiPath

Automated data extraction and report generation workflows using UiPath. Reduced manual effort and improved operational efficiency.

- Technologies: UiPath (RPA)

AI-Based Health Monitoring System

Built a system that accepts user symptoms and provides basic health guidance and home-care suggestions.

- Technologies: Python, HTML, CSS, Node.js, NLP

Voter Database Management System

Designed and implemented a relational database to securely manage voter records. Developed SQL queries for efficient data retrieval, validation and updates.

- Technologies: SQL, DBMS

Match Result Tracking System

Created a system to record, update and display sports match results. Implemented statistics tracking to analyze team performance and match history.

- Technologies: Python, DBMS

CERTIFICATIONS

**Python Programming
Certification**

2024

RPA Automation using UiPath

2025

**AWS Cloud Practitioner
Essentials**

2025

**Introduction to SQL (by Simple
Learn)**

2026

EXTRA-CURRICULAR ACTIVITIES

Represented college in zonal and inter-zonal level hockey tournaments. — Developed leadership, teamwork and discipline through competitive sports.
